And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. ~II Timothy 2:2

May 14, 2007

Hello again! It has been a busy spring, with much accomplished. We were in 7 missions conferences since our last letter, with several other meetings besides where I could fit them in. We traveled everywhere from Middleburgh, NY to Bonita Springs, FL and Tulsa, OK, with many points in between.

God has raised up our support dramatically, so thank you for praying! We are currently, officially, at 52%, with an unofficial figure that is probably nearer to 60%. We were out east the past month-and-a-half, and saw five churches in a row vote to support us!

Ironically, this was largely due to some cancelled meetings. I had a missions conference cancel, which opened a big gap in our schedule, and then another meeting that was literally flooded out by the flash flooding that southern West Virginia got back in April. Pastor Stephen Corbett of Bethel Baptist Church in LaPlata, MD called up some churches he knew of and got us into two, filling up the gaps entirely, and both churches took us on for support! God truly directed our steps. The church in Oakland, MD (Pastor Dennis Leatherman, Mountain Lake Independent Baptist Church), had a prophet's house we were able to stay in, which supplied lodging for the entire week. Plus, I got ample opportunity to help the church with their soulwinning and tract distribution efforts, which was a blessing. God orchestrated everything to perfection, and we have gained some support, and some good friends, as a result.

We will be going down to Bowie, TX to begin language school on August 22. We will be finishing up our training on May 15 of 2008, and are planning to head to Africa in Fall, 2008, when the cheaper plane tickets are available. Please pray for the following:

- * Pray for us as we finish up deputation, that the support will continue to come, and that we'll be at 80% or more by the time we begin language school in August.
- * Pray that I'll be able to get meetings as needed while down in Texas, and that we will have all our support by the time we are done next May.
- * Many preparations will have to be made in order to be ready to leave in Fall of 2008, so please pray that the LORD will supply us with wisdom to get everything organized.
- * Pray that the funds we will need for passage (plane tickets, shipment of our goods to the field) will come in by then, as well as the significant sum of money we will need to purchase a vehicle on the field.

Great days ahead folks!

God bless you,
